If participants will be housed in units not owned by the project applicant, the narrative must also indicate how appropriate units will be identified and how the project applicant or subrecipient will ensure that rents are reasonable. Established arrangements and coordination with landlords and other homeless services providers should be detailed in the narrative.

Describe specifically how participants will be assisted both to increase their employment and/or income and to maximize their ability to live independently: This is a required field. Describe the supportive services that will be provided to help project participants locate employment and access mainstream resources so that they are more likely to be able to live independently.

For all supportive services available to participants, indicate who will provide them and how often they are provided. This field is required and at least one value must be entered. Complete each row from the dropdown menus for supportive services that will be available to participants, using the funds requested through the application, and funds from other sources. If more than one provider offers the service at the same frequency, choose the provider according to the following: Applicant, then Subrecipient, then Partner, and lastly, non-Partner.

- Frequency: Select the most common interval of time for which the service is accessible to participants. If two frequencies are equally common, choose the interval with the highest frequency.

Applicants may leave dropdown menus as "—select—" when services are not applicable.

Select "Yes" if the project regularly follows-up with participants to ensure that they are receiving their mainstream benefits and to renew benefits when required. Select "No" if there is no follow-ups or the follow-ups are irregular concerning mainstream benefits.

Will project participants have access to SSI/SSDI technical assistance provided by the applicant, a subrecipient, or partner agency: This is a required field. Select "Yes" if project participants have access to SSI/SSDI technical assistance. The assistance can be provided by the applicant, a subrecipient, or a partner agency – through a formal or informal relationship. ## 4B. Housing Type and Location

The following list summarizes each housing site in the project. To add a housing site to the list, select the  icon. To view or update a housing site already listed, select the  icon.

**Total Units:** 5

**Total Beds:** 15

Housing Type	Units	Beds	Dedicated CH Beds	Non-Dedicated CH Beds
Scattered-site apartments (...)	5	15	--	15

## 4B. Housing Type and Location Detail

**Instructions:**

ALL PROJECTS EXCEPT HMIS

A unique detail screen should be completed for each structure. In the case of clustered apartments, a single complex with multiple addresses may be entered on one detail screen. In the case of scattered-site apartments, all scattered-site units within a single FMR area may be entered on one detail screen.

Housing Type: This is a required field. Select the proposed Housing Type from the dropdown menu. Refer to the Project Application Detailed Instructions for a definition of each Housing Type.

Indicate the maximum number of units and beds available for project participants at the selected housing site: This is a required field. Indicate the number of units and beds that will be served by this project.

How many of the total beds entered in "2b. Beds" are dedicated to the chronically homeless: This is a required field. Enter that total number of beds that are dedicated to the chronically homeless (CH). Dedicated CH beds are required through the project's grant agreement to only be used to house persons experiencing chronic homelessness, as defined at 24 CFR 578.3, unless there are no persons within the CoC that meet that criteria. These PSH beds are also reported as "CH Beds" on a CoC's Housing Inventory Count (HIC). If a project has dedicated beds to serve CH families, all beds serving the household should be included in this number. If none of the beds are dedicated to the chronically homeless, enter "0." If this is a new reallocated PSH project, all beds must be dedicated to the chronically homeless.

How many of the total beds entered in "2b. Beds" are not currently dedicated for the chronically homeless but will be used to assist the chronically homeless when turnover occurs: This required field will calculate automatically and is the difference between the total beds entered into field 2b. Beds and the value entered into 3a above.

How many of the beds listed in question "3b." above will likely become available through turnover in the FY 2015 operating year: This is a required field. Enter the number of beds that are estimated to become available through turnover in the FY 2016 operating year. Using the value automatically calculated in field 3b, estimate and then enter the number of beds that will likely become available over the requested grant term. This will give you the number turnover beds that are not dedicated to the chronically homeless.

How many of the beds listed in question "3c." above will be prioritized for use by the chronically homeless in the FY 2016 operating year: This is a required field. Use the number of turnover beds that are not dedicated to the chronically homeless and that you estimated in field 3c to estimate and enter the number of those beds that will be prioritized for the chronically homeless as soon as they do turnover.

Beds for veterans

How many of the total beds entered in "2b. Beds" are dedicated to veterans: This is a required field. Enter the total number of beds that are dedicated to veterans.

Beds for families

How many of the total beds entered in "2b. Beds" are dedicated to families: This is a required field. Enter the total number of beds that are dedicated to families.

Beds for youth

How many of the total beds entered in "2b. Beds" are dedicated to youth: This is a required field. Enter the total number of beds that are dedicated to youth, including parenting youth and unaccompanied youth.

Address: This is a required field. Enter the physical address for this proposed project. For Scattered-site housing, programs should enter the address where the majority of beds are located or where most beds are located as of the application submission. For scattered-site apartments or clustered apartments with different addresses, applicants may also choose to enter an administrative address.

Select the geographic area(s) associated with the address: This is a required field. Select the geographic location(s) of the selected Housing Type.

If required, explain where the unaccounted for participants will come from. All participants served in CoC Program funded projects must meet eligibility criteria set forth in the CoC Program interim rule and the FY 2015 CoC Program NOFA.

Describe the outreach plan to bring these homeless participants into the project: This field is required. Describe how the applicant/subrecipient plans to bring homeless persons into the project. Also describe the contingency plan that the applicant/subrecipient will implement if the project experiences difficulty in meeting the requirements to serve exclusively chronically homeless individuals and/or families. The contingency plan may include re-evaluating the intake assessment procedures or outreach plan.

**\*NOTE\*** The definition of Chronic Homelessness qualifies persons as chronically homeless only when they come from the street or other locations not meant for human habitation, emergency shelter, or safe havens. Additionally, to qualify for rapid re-housing, persons may only come from the street or other locations not meant for human habitation, emergency shelter, or safe havens.

## 7A. Funding Request

### Instructions:

Will it be feasible for the project to be under grant agreement by September 30, 2017: This is a required field. Select "Yes" or "No" to indicate if this project application is awarded if it will be in a position to begin operating by September 30, 2017. If "No" is selected, or if the deadline is not met, this may result in the rejection of a grant or the recapture of conditionally awarded funds.

Is the project proposing to use funds reallocated from the CoC's annual renewal demand OR Is the project applying for funding through the permanent housing bonus? Select "Reallocation" if this project application was created through the use of funds reallocated from one or more eligible renewal projects.

Does this project propose to allocate funds according to an indirect cost rate? This is a required field. Select 'Yes' or 'No' to indicate whether the project either has an approved indirect cost plan in place or will propose an indirect cost plan by the time of conditional award. For more information concerning indirect costs plans, please consult 2 CFR Part 200.56, Part 200.413 and Part 200.414, FY 2015 NOFA and contact your local HUD office. The following questions become visible if "Yes" is selected:

- Please complete the indirect cost rate schedule below: Applicant must complete at least one row in the grid.
- Has this rate been approved by your cognizant agency? Select "Yes" or "No" from the dropdown menu.
- Do you plan to use the 10% de minimis rate?: Select "Yes" or "No" from the dropdown menu.

Select a grant term: This is a required field. Select the term of the proposed project application. The selection here will determine how the "Summary Budget" will calculate the total funding request. Please refer to the FY 2015 CoC Program NOFA for details concerning grant terms and years of funding for different project types and eligible costs.

Select the costs for which funding is being requested: This is a required field. All project applications must identify the eligible cost budgets for which funding is being requested. The choices available will depend on the project type selected on Screen "3A Project Detail." The following eligible cost budgets may be listed: acquisition/rehabilitation/new construction, leased units, leased structures, rental assistance, supportive services, operations, and HMIS. Indicate only those activities for which the applicant is requesting funding from HUD through the FY 2015 CoC Program competition.

If you do not see the eligible cost budgets that you expected, you may need to return to Screen "3B. Project Description" to review the type of project selected. See the FY 2015 CoC Program NOFA for additional guidance.

Leverage funds can be used for any program related costs and there is no minimum requirement. Please review 24 CFR Part 578, and the FY 2015 CoC Program NOFA for more detailed information concerning Match and Leverage.

Will this commitment be used towards Match or Leverage? Select Match or Leverage to categorize each commitment being entered.

## 7J. Summary Budget

**Instructions:**

The system populates a summary budget based on the information entered into each preceding budget form. Review the data and return to the previous forms to correct any inaccurate information. All fields are read only with exception to field "9. Admin (Up to 10%)."the "Total Requested for Grant Term for Admin."

**Admin (Up to 10%):** Enter the amount of requested administration funds. The grant will not fund greater than 10% of the request listed in the field "Sub-Total Eligible Costs Request." If an amount above 10% is entered, the system will report an error and prevent application submission when the screen is saved.

**Total Assistance plus Admin Requested:** This field is automatically populated based on the amount of funds requested on the various budgets completed by the project applicant and Admin costs requested. This is this is the total amount of funding the project applicant will request in the FY 2015 CoC Program Competition.

**Cash Match:** This field is automatically populated. If it needs to be changed, return to Screen "7I. Match/Leverage" to make changes to this field.

**In-Kind Match:** This field is automatically populated. If it needs to be changed, return to Screen "7I. Match/Leverage" to make changes to this field.

**Total Match:** This field will automatically calculate the total combined value of the Cash and In-Kind Match. The total match must equal 25% of the request listed in the field "Total Eligible Costs Request" minus the amount requested for Leased Units and Leased Structures. There is no upper limit for Match. If an ineligible amount is entered, the system will report an error and prevent application submission. To correct an inadequate level of match, return to Screen "7I. Match/Leverage" to make changes.

Cash and In-Kind Match entered into the budget must qualify as eligible program expenses under the CoC program regulations. Compliance with eligibility requirements will be verified at grant agreement.

The Total Budget automatically calculates when you click the "Save" button.

Dear Shannon:

This is in response to your request for a letter indicating that the Community Services Block Grant (CSBG) can be used as match for Churchill County's rapid re-housing application to the Department of Housing and Urban Development. Information Memorandum #135 issued by the Office of Community Services permits CSBG funds to be used as match for HUD grants. Churchill County was awarded \$114,000 for the grant year beginning July 1, 2015, of which over \$80,000 is budgeted for supportive services to low-income individuals and families. Churchill County is a designated Community Action Agency in the state CSBG Plan and therefore receives CSBG funding on an on-going basis. It is therefore anticipated that the same level of funding will be available in future grant years to be used as match.

Thank you for your continued service to low-income families in Churchill County.

Sincerely,
