

Before Starting the Project Listings for the CoC Priority Listing

The FY2015 CoC Consolidated Application requires 2 submissions. Both this Project Priority Listing AND the CoC Consolidated Application MUST be submitted.

The FY 2015 CoC Priority Listing contains the following forms:

1. Reallocation Forms
2. Project Listings
 - a. New Project Listing – will list the new project applications created through Reallocation and the Permanent Housing Bonus that have been approved and ranked or rejected by the CoC.
 - b. Renewal Project Listing – will list all of the eligible renewal project applications that have been approved and ranked or rejected by the CoC.
 - c. UFA Costs Project Listing – applicable and only visible for those 4 Collaborative Applicants that were designated as a Unified Funding Agency (UFA) during the FY 2015 CoC Program Registration process. Only 1 UFA Costs project application is permitted.
 - d. CoC Planning Project Listing – will list the CoC planning project application submitted by the Collaborative Applicant. Only 1 CoC Planning project per CoC is permitted.
3. Attachments:
 - a. Final HUD-approved GIW
 - b. HUD-2991 – Certification of Consistency with the Consolidated Plan

Things to Remember

- The Priority Listing ranks the projects in order of priority all new project applications created through Reallocation and the Permanent Housing Bonus as well as renewal project applications and identifies any project applications rejected by the CoC.
- Collaborative Applicants are strongly encouraged to list all project applications on the FY2015 CoC Ranking Tool located on the HUD Exchange to ensure a ranking number is used only once. The FY 2015 CoC Ranking Tool will assist the Collaborative Applicant during the ranking process among the four Project Listings.
- Any project applications rejected by the Collaborative Applicant must select the reason for rejection.
- Collaborative Applicants should notify all project applicants no later than 15 days before the application deadline regarding whether their project applications will be included as part of the CoC Priority Listing submission.
- If the Collaborative Applicant needs to amend a project for any reason after ranking has been completed, the ranking of other projects will not be affected; however, the Collaborative Applicant must be sure to rank the amended project once it is returned to the CoC Project Listing and verify that the rank number assigned has not been assigned to another project on a different Project Listing.

Only 1 CoC Planning project can be ranked on the CoC Planning Project Listing.

Only 1 UFA cost project can be ranked on the UFA Cost Project Listing.

2-1 Is the CoC reallocating funds from one or more eligible renewal grant(s) that will expire in calendar year 2016 into one or more new projects? Yes

3. Reallocation - Grant(s) Eliminated

CoCs that intend to reallocate eligible renewal funds to create a new project application (as detailed in the FY 2015 CoC Program Competition NOFA) may do so by eliminating one or more expiring eligible renewal projects. CoCs that are eliminating projects entirely must identify those projects on this form.

Amount Available for New Project: (Sum of All Eliminated Projects)				
\$69,704				
Eliminated Project Name	Grant Number Eliminated	Component Type	Annual Renewal Amount	Type of Reallocation
PATH - Provisiona...	NV0058L9T021404	PH	\$69,704	Regular

3-2 Describe how the CoC determined that this project should be eliminated. (limit 750 characters)

The Rural Continuum of Care Steering Committee, grantees and partners reviewed the list of renewal projects and amounts at the September quarterly meeting. A discussion of strategic priorities for ending homelessness resulted in the decision to voluntarily eliminate a current TH housing grant in order to reallocate for PH/RRH project, to better serve the homeless community. The CoC worked with the grantee to ensure that clients would continue to be served and then arrived at the final amount to be ranked.

4. Reallocation - Grant(s) Reduced

CoCs planning to use reallocation may do so by reducing one or more expiring eligible renewal projects. CoCs that are reducing projects must identify those projects on this form.

Amount Available for New Project (Sum of All Reduced Projects)					
\$8,637					
Reduced Project Name	Reduced Grant Number	Annual Renewal Amount	Amount Retained	Amount available for new project	Reallocation Type

Amount available for New Project(s): \$8,637
(This amount will auto-calculate by selecting "Save" button)

4-2 Describe how the CoC determined that this project should be reduced. (limit 750 characters)

The Rating and Ranking Committee (RRC) reviewed the CoC priorities. The main priority was for a dedicated HMIS Project. Permanent Supportive Housing (PSH) projects were the second priority, the third priority was new Rapid Rehousing (RRH) and then Transitional Housing (TH). Over the past year, this project has been able to acquire some additional agency resources. Therefore it was positioned well to be able to take a reduction to support the new HMIS project without affecting existing services levels. Douglas County TH project is considered a key collaborative partner in the CoC and they willingly made this shift. They are looking to become a RRH program next year.

5. Reallocation - New Project(s)

Collaborative Applicants must identify the new project(s) the CoC plans to create and enter the requested information for each project.
