Dear Ms. Marschall:

On behalf of the Community Services Agency (CSA) Workforce Development program, we are pleased to submit this letter to the City of Reno and the Northern Nevada Continuum of Care in support of your FY 2019 CoC Program application.

CSA, a private nonprofit Community Action Agency, empowers individuals and families to become self-sufficient through advocacy, results-based programs, and community partnerships in Northern Nevada. Since its inception in 1965, the Agency has initiated and developed numerous programs in human services, economic development, education, and affordable housing.

As a partner in the CoC, CSA is committed to promoting self-sufficiency among those experiencing homelessness in our community. This is accomplished through priority referrals to our robust workforce development services that connect eligible individuals with education, skill development, on-the-job training, job search and application assistance, and employment opportunities.

We are pleased to offer this letter of support and look forward our continued collaboration on this important work.

Sincerely,

A handwritten signature in blue ink that reads "J. Mahon".
