Good afternoon Diaz,

In the recent CoC 2019 competition, The Eddy House was eligible to apply for \$31,584 for your Ridgehouse RRH project. I was informed that your organization was **voluntarily reallocating** your funds due to a recent change in Directors at the Eddy House, the challenges with finding housing for transition aged youth, and your ongoing fund development efforts to support operating funds for your new facility. Thank you for letting the Rating and Ranking committee know that you were voluntarily reallocating your funds. As such, your funding has been reallocated to Washoe County. That will not affect this year's funding and the current grant you are operating but you will not be eligible for renewal when your current grant expires.

The Rating and Ranking committee met on September 5, 2019, to review applications and all of the supporting materials included in submissions. The Rating and Ranking Committee in their deliberations reviewed all materials and performance for the projects. The Rating and Ranking Committee determined that they would reallocate your funds to Washoe County in the full amount as described above.

The final Rating and Ranking results are attached for your review.

If you have any questions, please reach out to Kelly Marschall or Marika Baren.

Thank you for all of your efforts towards this important initiative.

Good afternoon Julianna,

Thank you for submitting applications for the Volunteers of America Anchor and Anchor Expansion and Rapid Re-housing for Families projects for the 2019 CoC competition. In their deliberations, the Rating and Ranking Committee reviewed all of your documents and performance for the projects.

The Rating and Ranking Committee determined that the Anchor and Anchor Expansion would be ranked number 6 in tier 1 with a weighted score of 85 out of 100 points possible. The Rapid Re-Housing for Families project is ranked number 7 in tier 1 with a weighted score of 85 out of 100 points possible as well.
