Good afternoon:

Thank you for submitting an application for Vitality Unlimited's Permanent Supportive Housing for the 2019 CoC Funding Competition.

Because the application was incomplete at the time of Rating and Ranking on September 4, 2019, the Rating and Ranking Committee did not have sufficient detail to award points that would make your application competitive, and therefore, they determined they would reallocate a portion of your funding.

The application was ranked in Tier Two. The amount of funding was reduced to \$66,801.

If you have any questions, please reach out to Kelly Marschall or Marika Baren.

Good Morning, Karyn:

Thank you for submitting an application for Nye County's new Rapid Rehousing Project for the 2019 CoC Funding Competition.

The application was ranked in Tier One at #11. Reallocation funds combined with the bonus did not cover your full funding request. As a result, your request was reduced from \$61,757 to \$57,302 to equal the bonus plus the amounts reallocated from other projects ranked in Tier One.

If you have any questions, please reach out to Kelly Marschall or Marika Baren.
